DAILY SCHEDULE

07:00 – 07:30	School Opens. Free play, imaginative play. Puzzles. This allows the children to explore and familiarize themselves with their surroundings and interact with their class friends in a more relaxed environment. It helps them transition into the days more structured activities with ease.

08:00 – 08:30	Classes start. Bible story, memory verse, worship. Sound Biblical principles are the focus point (core) of all our lessons. Our children are taught how to apply Biblical principles to real life situations. They learn memory verses which are age appropriate and Christian songs.
08:30 – 09:00	Theme Based Discussion. Perceptual Development. Language Development. Each week the children are introduced to a new theme which they explore for the week e.g. The Ocean; Wildlife etc. During this ring time they also learn to identify their letters, numbers, shapes and colours.

10:00 – 11:00	Outdoor free play. Social skills. Language development. Gross motor development. We have a very large playground because we believe that outdoor play is one of the most important aspects of a child’s all-round development. The children are encouraged to explore the playground. In doing so they learn to respect their friends by taking turns and sharing, they learn how to communicate with each other in a more social setting and all this while having fun. Our teachers and helpers oversee playtime to ensure safety and encourage positive behaviour.
11:00 – 12:00	Craft/creative activities, painting, cutting. Craft related to the theme. Fine motor skills (puzzles, threading, beading, peg boards) The children do age-appropriate crafts and learn skills with instructions and assistance.
12:00 – 12:30	Lunch time.
12:30 – 13:00	Half Day ends. Children that are enrolled for ¾ day and full day play outdoors until 1pm.
13:00 – 14:30	After care nap time. End of ¾ day. Nap time is encouraged for nursery school level as this allows the children to absorb the information learnt in the day and they have enough energy to carry them through the remainder of the day. The children that do not nap are given activities that allow them to relax like free play with Legos.
14:30 – 17:30	After care arts and crafts. Snacks at 2pm, 4pm & 5pm. Full day ends at 5.30pm. Our after-care class has a more relaxed approach to learning with fun activities that include baking, messy play and fun crafts.
